

## EDGE 135

The Edge 135 downlight is a larger version of the Edge 110. With more power and a much wider diameter, the Edge 135 provides substantially more light-distribution, making it the perfect choice for large scale commercial projects.

- Adjustable head up to 25°
- Our most powerful downlight – Making it ideal for commercial projects.
- Precision reflector – For better light distribution and performance.
- Specially designed heat sink – For class leading heat dissipation.
- Deep set lamp position – For visual comfort and glare reduction.
