

LINEX 11 STRIP

The LineX offers a minimalistic approach to track lighting, in comparison to the larger, but more versatile 3 Circuit Track. With a smaller profile, and smaller fittings available for it, the LineX is ideal for residential lighthing.

- High CRI – Defining architectural details and finishes.
- Strip lighting made easy – Fitting into your choice of track, the LineX Strip provides a sleek and effortless option for LED strips.
- Dimmable – Featuring 24V DC allows any of the LineX fittings to be dimmed in multiple ways.
