

radiantlighting

**FAZE**

Brand Summary

- Country of Origin:** Australia.
- Product Specialisation:** Architectural luminaires, including suspension lights, downlights, wall lights, surface mounted lights, LED strip lighting & track lighting.
- Areas of use:** Interior & Exterior.
- Introduction:** FAZE is a brand of Radiant Lighting, with over 30 years at the forefront of lighting quality, innovation and design. Based in Perth, they aim to create truly unique designs, providing extensive lighting solutions and endless design possibilities with their luminaires.
- Style:** Faze don't just think about what is currently trending, but rather look to the future of the lighting industry and what their clients needs are and will be going forward. Their signature minimalist, yet sophisticated style, is one that has truly stood the test of time.
- What makes them unique:** FAZE works closely with their production team, as well as their in-house Base Spion Goniometer. This allows them to re-engineer and test all of their luminaires, ensuring that their extensive collection offers the most up to date designs, the best quality and incorporates the most energy-efficient ideas possible.
