LOMBARDO

Brand Summary

Country of Origin: Italy.

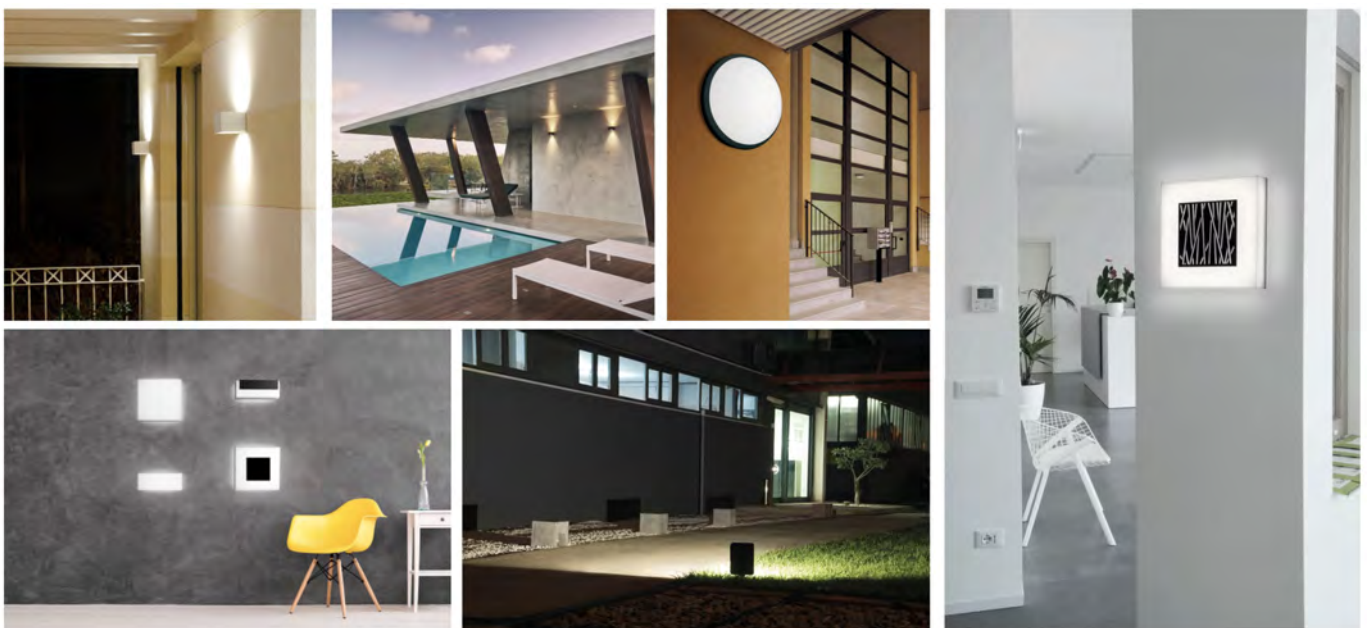

Product Specialisation: Internal and external luminaires, with a strong focus on wall lights.

Areas of use: Interior & Exterior.

Introduction: Lombardo have been producing unique lighting products in Europe for years. Aesthetics combined with technical ability is what creates their brilliant range of internal and external products.

Style: Reliability, Dynamism, Simplicity.
Lombardo describes their own style as intelligent, yet easy. Every development of theirs springs from intuition and the ability to imagine that things can be different from the way we have always experienced them.

What makes them unique: Lombardo's design laboratory opens up completely new avenues for lighting, with innovation and design being a part of the company's DNA. They are capable of integrating light technologies into unusual, but always technically appropriate, shapes and materials.
