

FAZE

2021/22 LINEAR COLLECTION

## Linear Lights

Linear lighting provides a functional and minimalist style to any project. As they can be suspended, surface mounted or recessed, they are an ideal design solution for any application. Our collection of linear lights are available in a number of different lengths and combinations, allowing for flexible lighting in commercial projects as well as in the family home.

## Our Linear Collection Key Features

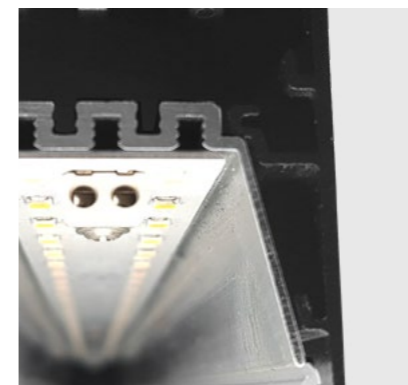

### Flexibility in Design

With the options of surface mounted, suspended or recessed, our linear collection provides options to suit any space.

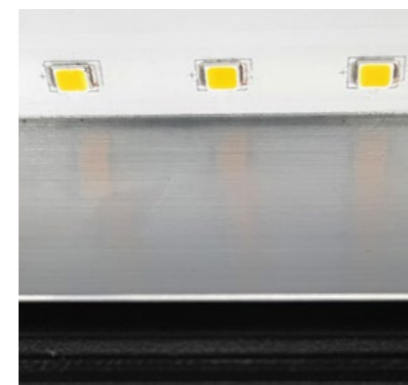

### Enhanced Connections

We have enhanced our previous connection system with a more durable and seamless design. This also results in both the recessed and standard Line Opals capability to be run up to 30m, on 1 power feed.

### High Quality Materials

Constructed with an aluminium body and heat sink, along with a polycarbonate diffuser; our linear series has been constructed for longevity and durability.

### High Quality LEDs

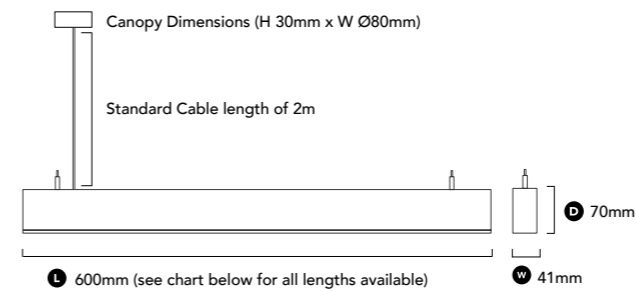

Our linear series utilise Samsung LEDs to provide high quality light. With a CRI of 90+, our linear collection will highlight any space with clean, precise light.

**SAMSUNG**  
LEDs Inside

# Line Opal

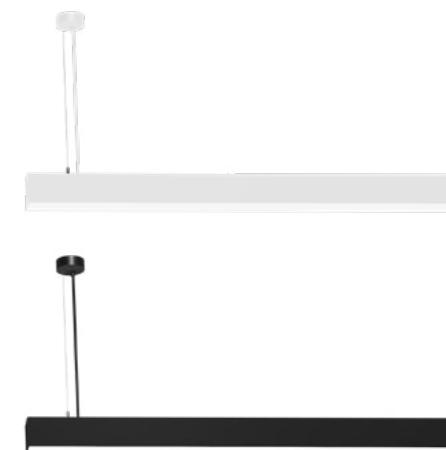

The Line Opal series is practical and stylish. With numerous mounting and design options, they provide flexibility across both residential and commercial projects.

All lengths have a depth of 70mm and a width of 41mm.

## Line Opal

Line Opal Length	600mm	1200mm	1800mm	2400mm
LED	15W	30W	45W	60W
Lumens	1200 lm (3000K) 1230 lm (4000K)	2300 lm (3000K) 2424 lm (4000K)	3900 lm (3000K) 3955 lm (4000K)	4600 lm (3000K) 4850 lm (4000K)

Finishes  
 Powder Coated Black  
 Powder Coated White

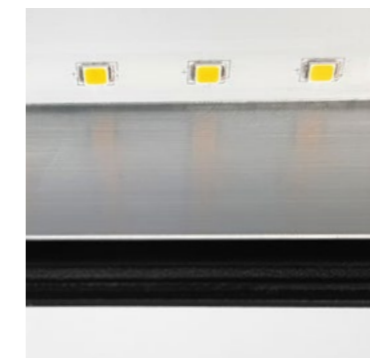

### Built in, Phase Cut Dimming

The Line Opal features a built in flicker free driver. This allows for smooth dimming and flicker free lighting.

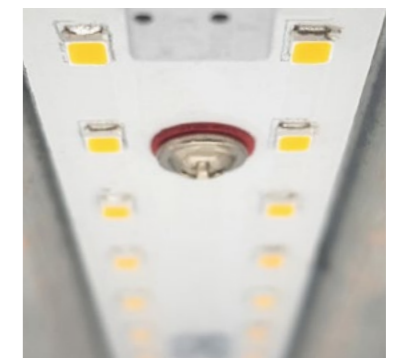

Please note that this fitting is standard as phase cut dimming. It is also available in 1-10V dimming, with non-dimming options available, upon request.

Beam 90°

### Glare Reduction

The Line Opal incorporates a deep set LED heat sink and precise opal diffuser. Combined, these provide a UGR of less than 22; therefore reducing glare and increasing visual comfort.

### Samsung LEDs

Utilising Samsung LEDs, the Line Opal maintains a 90+ CRI and high quality light emission.

### Surface Mounted and Suspended Options

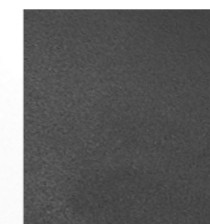

Our Line Opal comes with a suspension kit, giving you the choice to use it as either a surface mounted or suspended fitting.

### High Quality Materials

Constructed with an aluminium body, aluminium heat sink and a polycarbonate diffuser; the Line Opal has been developed for longevity and durability.

Powder Coated Aluminium Body

Aluminium Heat Sink

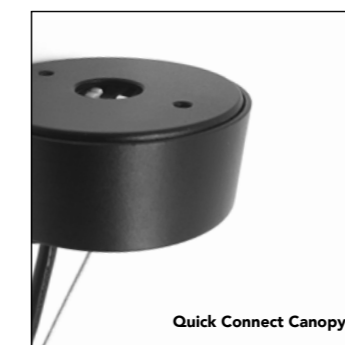

Polycarbonate (Opal) Diffuser

### Quick Connection System

Our specially designed aluminium joiner is made to fit perfectly between any required lengths and provide extremely strong support. This results in seamless connections and a flawless visual alignment.

The Line Opal also incorporates quick connection plugs, a quick connect canopy and the option for surface mounting clips, if required.

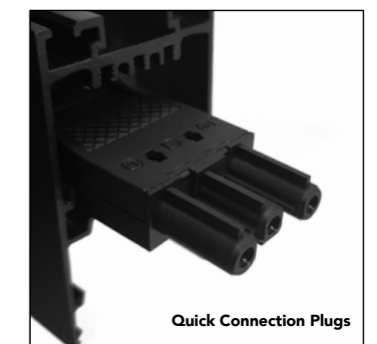

Quick Connect Canopy

Line Opal Connection Kit

Surface Mounting Clip

Quick Connection Plugs

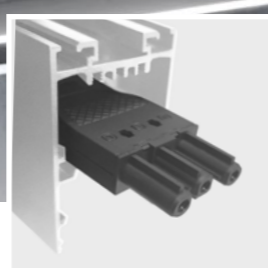

### Enhanced Mounting System

We reviewed our mounting system and have updated it to be stronger and more durable than ever before.

### 4m Suspension Kit Now Available

This allows for use in projects that have greater ceiling heights.

### Cultivated Power Supply

The Line Opal now has an increased total length of 30m per one power feed.

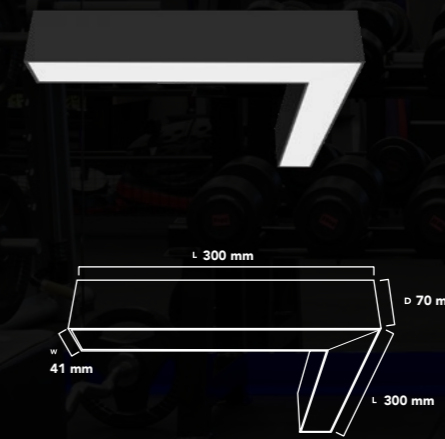

Refer to our Linear Modules guide for further length configuration information.

### Corner Connectors

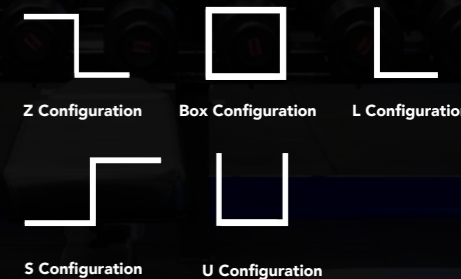

The Line Opal series now includes corner connections, which create all new lighting arrangements for any type of project.

These corner pieces are also powered by their own built in flicker free driver.

### Utilised to create 5 basic configurations

This allows for more design variety and the ability to cater your lighting to your unique space.

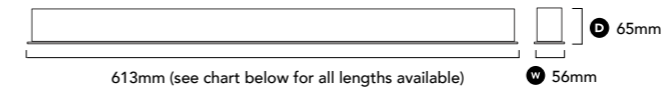

For more information see page 228 for Specifications

## Line Opal Recessed

The Line Opal Recessed is a modern, slim profile design, that provides a recessed option to our linear lighting collection.

All lengths have a depth of 65mm and a width of 56mm.

### Line Opal Recessed

Line Opal Recessed Length	613mm	1213mm	1813mm	2413mm
Cut-out Dimensions	45mm (W) x 603mm (L)	45mm (W) x 1203mm (L)	45mm (W) x 1803mm (L)	45mm (W) x 2403mm (L)
LED	15W	30W	45W	60W
Lumens	1200 lm (3000K) 1230 lm (4000K)	2300 lm (3000K) 2424 lm (4000K)	3900 lm (3000K) 3955 lm (4000K)	4600 lm (3000K) 4850 lm (4000K)

Finishes  
 Powder Coated Black  
 Powder Coated White

#### Heavy Duty Mounting Clips

The Line Opal Recessed includes heavy duty mounting clips, for simple and secure installation.

#### Glare Reduction

The Line Opal Recessed incorporates a deep set LED heat sink and a specialised opal diffuser. Combined, these provide a UGR of less than 22; therefore reducing glare and increasing visual comfort.

#### External Flicker Free Driver

The Line Opal Recessed features an external flicker free driver, which comes mounted as standard, for easy installation. This driver creates smooth dimming and flicker free lighting.

Beam 90°

 Powder Coated Black  
 Powder Coated White

## Easy Installation and a Quick Connection System

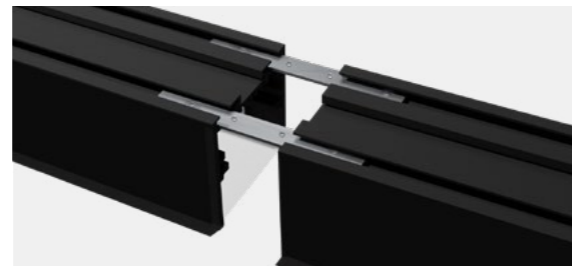

Using a quick connect coupler plug, the Line Opal Recessed has a fast and efficient connection to its external phase-cut, flicker free, dimmable driver. External DALI or 1-10V drivers are also available upon request.

Quick Connect Coupler Plug

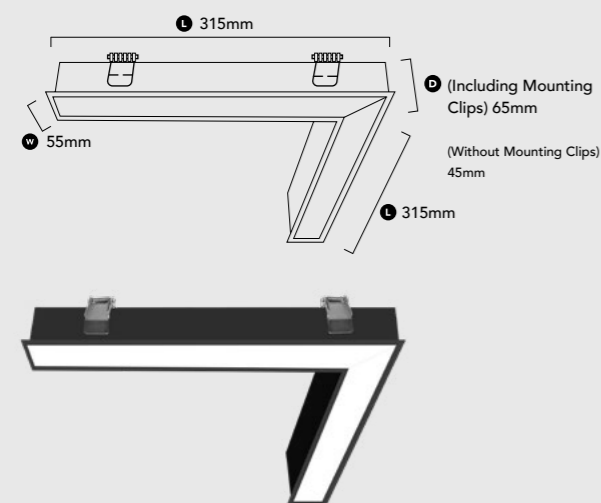

Quick Mount Driver Plate

Line Opal Recessed Connection Kit

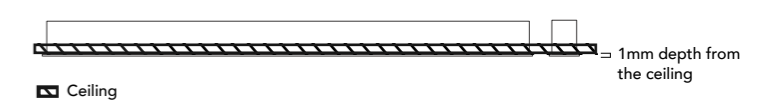

## Corner Connectors

With the addition of corner connectors, the Line Opal Recessed can be used to create all new lighting arrangements.

## Low Profile Design

The Line Opal Recessed features a low-profile design, with a total depth of only 65mm.

Ceiling

## Opal Diffuser

Incorporated into the Line Opal collection, the Recessed option also uses an opal diffuser.

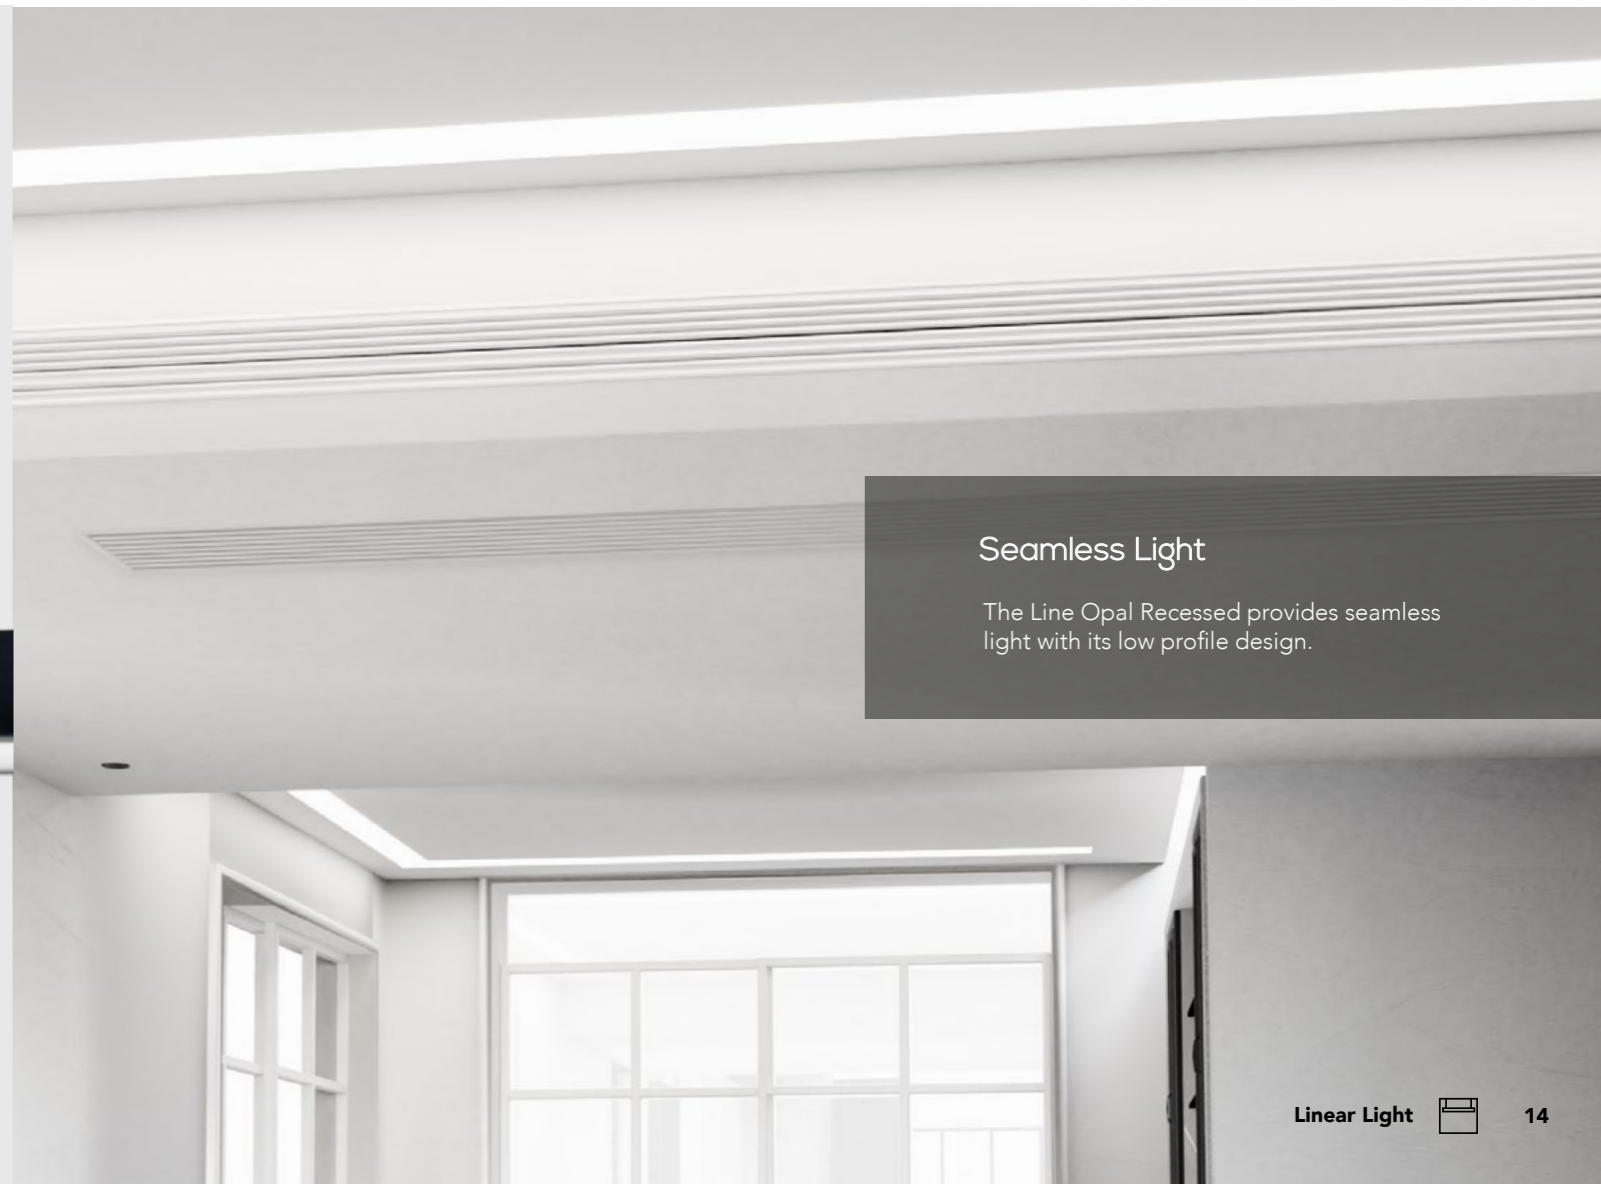

## Aluminium Body

The Line Opal Recessed also features a body constructed of aluminium, available in either white or black powder coated finishes.

## Seamless Light

The Line Opal Recessed provides seamless light with its low profile design.

## Linear Modules

Use the below guide of preconfigured lengths for some of the possible installations of our Line Opal series.

### Linear Module Key

Colour	Line Opal Length
	600mm
	1200mm
	1800mm
	2400mm

### Please note

The Line Opal Surface Mount will have a 3mm detail from the ceiling once installed.

One aluminium joiner is required per join.

### Maximum Single Power Feed Length

The Line Opal can run up to 30m from 1 power feed.

Configuration	Total Length
