

PET

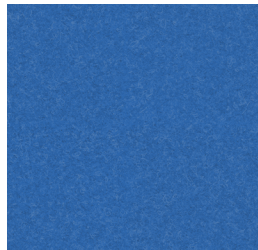

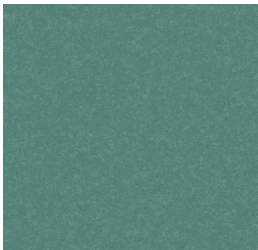

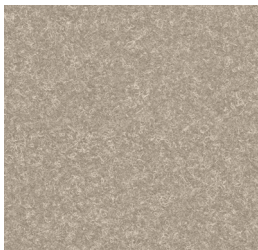

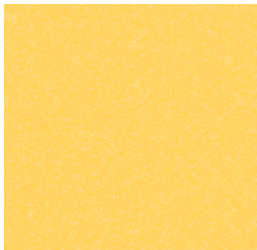

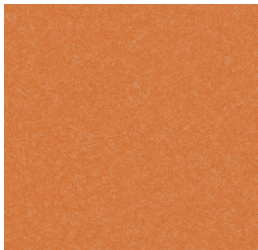

Luxxbox’s acoustic PET felt turns down the volume to increase productivity, creating happy, healthy workspaces the world over. The acoustic material is durable and offers great acoustic performance, absorbing and dampening sound.

Offered in 0.472”/12mm PET felt for applications ranging from acoustic lighting, baffles, screens, dividers and pinboards. Manufactured from dense polyester fiber material that includes 99% recycled materials and is 100% recyclable.
