

| | |
|--------------------------------|--|
| Country of Origin: | Denmark. |
| Product Specialisation: | Designer decorative luminaires that include table lights, floor lights, pendants and wall lights. |
| Areas of use: | Interior. |
| Introduction: | For three generations Daro has been working to design and develop light for the interior decor of homes and workplaces, but most of all; for people. They have a 17 series collection with most of those featuring powerful, classic lines. |
| Style: | Daro's design has always been contemporary, with a Danish touch. They develop simple ways of creating life and happiness through lighting. Daro's design philosophy is based upon the small details that have a surprising impact thanks to their value-adding aesthetics and functionality. |
| What makes them unique: | Throwing new light on classical designs. Daro challenges traditional perceptions by embracing new, original methods to develop their lamps. They take lighting to surprising new heights and look for inspiration in unexpected places. |
