LINILED/TRIOLIGHT

Brand Summary

Country of Origin: The Netherlands.

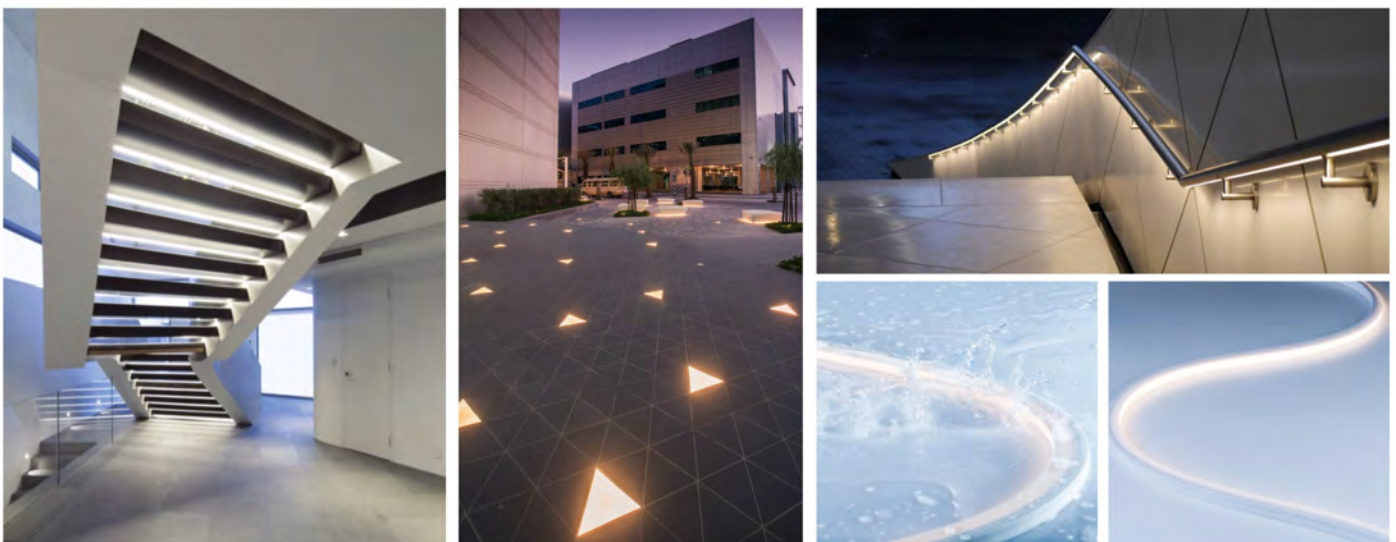

Product Specialisation: LED Strip lighting, recessed lighting, colour changing LED's and accessories.

Areas of use: Interior and exterior.

Introduction: Triolight was founded in 2000 and is known worldwide as the manufacturer of the high quality, European liniLED® System. Their company offers innovative and leading (LED) lighting solutions to clients in sectors, such as: maritime, architecture, infrastructure, construction, health, hospitality and retail. With a large network of architects, lighting designers and planners, they are active in more than 40 countries around the world.

Style: As the liniLED system can be applied both indoors and outdoors, it is ideal for high-end projects in various sectors such as maritime, architectural, infrastructure, construction and the entertainment industry.

What makes them unique: It is liniLED's mission to globally realise linear (LED) lighting solutions for projects that require tailor made solutions. liniLED is known for all high quality, non-standard designs. In a market with so many suppliers, they distinguish themselves by offering 'modular outdoor solutions'.
