NOVALUX

Brand Summary

- Country of Origin:** Italy.
- Product Specialisation:** Architectural luminaires, including recessed, fluorescent, suspension and surface mounted fittings.
- Areas of use:** Interior & Exterior.
- Introduction:** Established in 1948, Novalux represents state of the art lighting for all residential, office and commercial applications. Their capacity to observe the style changes in contemporary society is what has made them one of the leading innovative companies in the industry today.
- Style:** Novalux has always believed in the strategic role of innovation to be able to offer customers cutting-edge technology. Their fittings are innovative and adaptable, mainly made up of seamless LED systems that connect to any customised lengths.
- What makes them unique:** *When technique and ecology get on.* Novalux is committed to the control of energy consumptions and the reduction of their environmental impact. They are continuously developing lighting solutions that perform to the highest possible standard, but that are also respectful to the environment.
