

AURIEL LINEAR CLUSTER

By PANZERI

SUSPENSION

Auriel stems from the concept of subtraction, reinterpreting the familiar archetype of the candle into a contemporary, slender, and lightweight luminous presence. The rigour of aluminium dialogues with the ethereal delicacy of glass, celebrating a perfect balance between matter and absence, where technology fades away to make room for emotion.

PROJECT

TYPE

NOTES

GENERAL SPECIFICATIONS

LED	37 W
LUMENS	6 x 400Lm (2400Lm)
EFFICACY	65 Lm / W
COLOUR TEMPERATURE (SWITCHABLE)	2700K / 3000K
MATERIAL	Borosilicate glass, Anodised machined solid aluminium, Polycarbonate diffuser screen
FINISH	Matte Black
IP	20
COLOUR DEVIATION	SDCM 3
LIFETIME	50,000hrs L80B10
ORIGIN	Italy

POWER SPECIFICATIONS

DRIVER	220-240VAC 50/60hz Integrated
DIMMABLE	DALI / Push Dimming

PRODUCT CODES

MATTE BLACK	51-KRL16406.120.004
